JOB TITLE:	**JUNIOR USER INTERFACE DEVELOPER**
DIVISION:	**DEVELOPMENT**
JOB LOCATION:	**HARROGATE**
REPORTS TO:	**SYSTEMS ARCHITECT – MPS**
DATE:	**JUNE 2017**

My Possible Self (MPS) creates innovative mental healthcare systems for mobile and web applications.

The app includes clinically proven content adapted from the myCompass programme developed by the Black Dog Institute, Sydney, Australia and consists of a range of self-help modules. The modules use established forms of therapy including cognitive behavioural therapy (CBT), problem solving therapy, positive psychology and interpersonal therapy and has been proven to reduce stress and anxiety in just eight weeks.

We are currently looking for an experienced User Interface Developer to join our Development team. Reporting to the Systems Architect the successful candidate will help shape and deliver our technology solutions.

The ideal candidate will have a high level of technical knowledge.

They will be required to possess a broad range of skills that will assist in learning new technologies quickly, which is likely to have been gained from not only working in this field but also from knowledge acquired through personal interests outside the workplace.

KEY RESPONSIBILITIES

Duties will include but are not restricted to the following:
- Assist in the design and development of the MPS Web application
- Assist in the design of the MPS native app for both Android and iPhone
- Work with product management to understand and interpret requirements.
- Working on developing new captive portals for intechnology Wifi

TECHNICAL SKILLS

The ideal candidate will have a high level of technical knowledge and be familiar with a variety of software development technologies.

The ideal candidate will be able to demonstrate experience, understanding and knowledge in the following areas:

- HTML4/5, CSS, Bootstrap
- PHP, Laravel
- JavaScript, JQuery, Vue.js
- UI Design, Accessibility
- Node, NPM
- SASS, Gulp

PERSON SPECIFICATION

The ideal candidate will be able to demonstrate the following skills, attributes and experience:

- An intelligent self-starter with the ability to work on their own initiative to solve problems
- A fast learner with the ability to pick up new skills quickly
- Must be flexible and work as part of a team
- Strong interpersonal and communication skills
- Ability to effectively pass on knowledge to other people

HOURS OF WORK

The Company's standard hours of work are 9.00am – 5.30 pm with one hour for lunch; some flexibility may be required from time to time.
